Explanation - This set of amendments clarifies that constituent services accounts are limited to statewide elected officials and legislators. It also deletes the language on page 1, lines 13 and 14 that is redundant with the sentence that starts on line 17 and ends on line 18 regarding money in the account only being used for constituent services. ("Constituent services" is defined in the HB046203 amendments. If HB046203 is not passed, then the language on lines 14 and 15 describing constituent services could be added back in, but should be added to the sentence ending on line 18.
